

Ways and Means Program
Sept 1st, 2016

Hello Auxiliary members,

Hope everyone had a great summer, it is over for our kids and grandkids as school is back in session. YEY!! So now we have time to get started on more and more Ways and Means activities. At Mid-Winter convention, I will be Auctioning off a few items like a Camping kit, a Fishing kit and a few other fun things. Yes there will be more than one Chairperson holding Auctions so please bring your coin jars so we can get a moving.

Please report any Auxiliary Ways and Means activities that you do, so that way you can get recognized for your effort and awards will be given this year. We have sold almost all of the calendars that were sent out. If you want another one please shoot me and email and I will send one your way. I am hoping that we can really excel this year, I would like to see a lot of things reported and lots earned for our Department.

Our first Bake Auction went very well, so thank you to each of you that participated at the C of A. Our Department President was very pleased with the results. So let's keep up the hard work. If you have any ideas that you would like to share or promote please let me know so we can try it.

See you all at Mid-Winter and if you would please bring a bag or a box with a secret item in it for the Auction, would be great. If its valued at a certain amount please just let me know a good starting bid for it.

Thank you,
Alison K Slate
Department Sr. Vice President
Ways and Means Chairman
